

Greeting this day in the year of our Lord 2022.

The building and grounds are as inviting as ever. We hosted 8 service Days accomplishing ongoing maintenance and landscaping. Thank you to all who supported this effort in thoughts, prayer, and deed.

Below are actions that have been performed in 2022 and follow-on actions for 2023:

Improve Church entrance and overall Exterior appearance:

- Outdoor LED lighting project, which saves over \$3000 per year, was completed,
- Sealed sections of concrete sidewalk and bridge to protect against salt corrosion,
- Installed drain by bridge to remove the water that pools there,
- Cleaned Gym wall,
- Replaced parking lot signs;
- Installed School sign on Nottingham Pkwy,
- Low overhead clearance signage to protect bridge,
- Plan to reseal parking lot summer of 2023.

Fellowship Hall updates:

- Replaced drapes,
- Added motion sensors for lighting,
- In process of replacing light fixtures to update and reduce cost.
- Need to Paint the Hallway and renovate the Women's restroom

Continued ongoing maintenance:

- Replaced school hot water heater,
- Replaced projector above choir loft,
- HVAC Filters, Exit Light refurbishment
- Fluid cooler is schedule to be install in April 2023.
- Correct Outdoor Temp Sensor for improved HVAC PID loop in sanctuary
